

Project Goal **GREENHITHE Motorway**

Client Downer Edi Works, Formally Works infrastructure

Location Upper Harbour Greenhithe to Albany

Project Parameters This route will help to ease congestion and provide an alternative route to the current SH18 Upper Harbour Drive, connecting Waitakere City with North Shore City and passing through the developing residential areas of Greenhithe and Hobsonville.

Four-lane divided motorway with provision for bus shoulder lanes to be added to each side in the future. 12 km in length Seven interchanges: Albany Highway, Greenhithe Road, Tauhinu Road, Brigham Creek Road (north and south), Trig Road, Westgate and Buckley Avenue. Nine bridges and a new motorway-to-motorway connection to SH16 at Westgate
